## Pool Renovations

**Paul Abraham**, (Pool Committee, Maintenance) has been instrumental in completing all of the major pool renovations for the pools. Both pools are freshly painted, and all of the tiles have been replaced with beautiful new tiles. In addition, the pump house and filter system also have been upgraded, and we have sparkling clear water to enjoy this summer. *Thank you, Paul, for all of your hard work. The pools look beautiful!*

**The baby pool is finally re-opened!** According to Pennsylvania state regulations, for the health and safety of all swimmers, all non-potty trained children **MUST** wear rubber pants, in addition to swimming diapers. Parents can purchase rubber pants from the life guards if needed. Please keep our pools clean.

Newtown Crossing residents can use the pool for **FREE**. You need to complete a registration form, which can be found at the pool or on the NCCA website, [www.newtowncrossing.info](http://www.newtowncrossing.info). Please be advised—to swim at the pool, your quarterly assessments need to be paid in full.

## The Snack Shack is open!

Volunteers are always needed. Please see **Alene Turner** if you can volunteer. High school students can earn LINCS credit hours for volunteering at the Snack Shack.

## Focus on Your Neighbors

**Paul Abraham** is on the NCCA Pool Committee and is in charge of Maintenance. Paul not only spear-headed the pool renovations by getting bids from numerous pool companies, but he also oversaw the entire completion of the renovations to both pools.

Paul, and his family have lived in Newtown Crossing for over 30 years.

*Thank you for your dedication to the Newtown Crossing community.*
