FALL 2020

*Next meeting: Tuesday, Nov 10 at the Spring House. It will take place immediately after the Annual Meeting which convenes at 7:30.*

## Thanks

What a difference a year makes. This time last year we were congratulating the victorious Newtown Swim Team and looking forward to a Halloween Pot Luck Supper. Now, in the Fall of 2020, we are concerned about our family's health, our children's education, our jobs, and how, when, and where to vote. Despite the anxiety and sacrifice, there is still much to be thankful for.

*Thank you to the residents who, year after year, have maintained the cul-de-sac islands and common areas between townhomes.*

*Thank you to the concerned resident whose cell phone photos helped to resolve the recent vandalism at the Manor House.*

*Thank you to those who organized and participated in the 4th of July Bike and Stroller Parade and to Lori Strange and Freda Gowin for the Popsicle and Pretzel Days at the playground*

*Thank you to the NCCA Board of Directors and officers who have continued the business of maintaining the development and making difficult decisions through the pandemic by teleconference and now, cautiously, in person.*

*And thank you to our neighbors who have continued to protect us, to nurse us, to feed us, to teach us, to transport us, to deliver our packages and mail and to look out for each other.*

## Arcadia Green...Again

Once again there is movement on the Arcadia Development. To learn more about this and other Newtown Township issues, register here for Supervisor John Mack's Monday Zoom session on Monday, October 12 at 7 PM.

## Road Work

Unfortunately, due to budget and work force issues, Commonwealth Drive has once again been dropped from the repaving schedule for 2020.

## Signs

Please remember that signs of any kind are not permitted on common ground within Newtown Crossing. This includes the entrances and the apron between the sidewalk and the streets. Any signs posted in these areas will be removed. Residents may use signs on their own properties.

## Time to Vote!

Bucks County general election absentee and mail-in ballots are being mailed and should arrive this week. Whether in person or by mail, please vote. Voter information can be found here:

<https://www.pa.gov/guides/voting-and-elections/>

And speaking of voting, a sufficient number of votes for the position of NCCA board member has still not been reached. The candidates, ballot, and instructions can be found here:

Marie Dempsey, having served for many years, is trying to retire from the board. There are two declared candidates for her seat but they can not become part of the board until 10% of resident households have voted. That's only 63 votes which should be easily achievable...yet we are still approximately 20 votes short! Please use the above link and vote.
