

NEWTOWN CROSSING COMMUNITY ASSOCIATION POOL RULES AND REGULATIONS

The Newtown Crossing Community Association (NCCA) Board of Directors welcomes residents and their guests to the 2023 NCCA pool season! Please take the time to carefully review the following Rules and Regulations for this season, and do the same with your family and any guests that you will bring to the pool this year. Taking the time to do this BEFORE you arrive at the pool will reduce confusion, disappointment and most importantly, the chance for accidents or injuries. Thanks, and we hope you have a great time at the pool

First & foremost:

The safety and wellbeing of the guests and staff at the pool is our highest priority. With this in mind, the lifeguard on duty has FINAL SAY in the moment on all matters of safety or regarding the administration and enforcement of these Rules and Regulations. The guard on duty will escalate ANY unresolved disagreements through their chain of command and, if necessary, will notify the Newtown Township Police for assistance.

Membership:

1.Pool membership is limited to members of the community including their families that reside in Newtown Crossing.

2.Residents must complete a pool application. NCCA assessments must be current before a pool application will be approved. Pool tags will be issued and must be saved from season to season to avoid a replacement fee.

3.Families will only receive membership for those individuals that live in the household. Individuals or family members who reside outside of Newtown Crossing may not obtain membership through a NCCA resident and will only be admitted after paying a guest fee. The NCCA reserves the right to ask for proof of residency for any person listed on a pool application. Any NCCA resident to register a non-resident will have their pool membership revoked.

Pool Hours:

1.The pool opens for the season on Memorial Day weekend. The pool will be open weekends until mid-June. Following the close of school, the pool will be open daily from 12:00–8:00 P.M. until Labor Day.

2. All persons are required to leave the pool promptly at closing time which is 8 PM.

3. Fox Pool Services has the authority to close the pool at any time, without notice, when it required for the safety of the swimmers. In the event of inclement weather, it is Fox Pools and the lifeguard's discretion whether to open or close the pool. The pool must be closed for thirty minutes after the last lightning or thunder. In the event of rain, the pool will remain open until the bottom of the pool is no longer visible.

4. The pool is available to rent for private parties on any night from 8:00–10:30 P.M. The contact person for rentals is Katie Lukomski at 215-504-2598. There is a \$75 rental charge, plus the hourly cost for the lifeguard(s). There will be one lifeguard required for every 20 people swimming in the pool.

Pool Admission:

1. Every person who wishes to enter the pool area must have a 2023 NCCA pool tag with them—every time, no exceptions. Any individual wishing to enter that does not have a pool tag will be denied entry until they get a badge.

2. Children 12 years and younger will not be admitted unless accompanied by a responsible parent or guardian that is 16 years or older.

3. All persons use the pool at their own risk. NCCA is not responsible for accidents or injuries. In the event of an injury, no matter how minor, lifeguards MUST be notified immediately.

4. Parents or guardians are responsible for explaining the pool rules to the children under their supervision and to their guests.

Admission of Guests

1. NCCA and/or the guard on duty reserve the right to limit the number of guests per member. If you intend to have more than three guests on a specific day, you must notify the lifeguards at least three days in advance.

2. Daily guest passes cost \$5 per guest. The daily cost will be reduced to \$2 for guests that arrive after 4:00 PM. A 10 visit guest pass costs \$30, and can be purchased at the pool by check payable to NCCA, or with cash. Unused guest passes can be used the following year.

3. All guests MUST be accompanied by a NCCA member.
